Wonderful Bag
Product name

Product sketch

Purpose: Not to lose papers Price: 1.000 yen

Product description and other information:

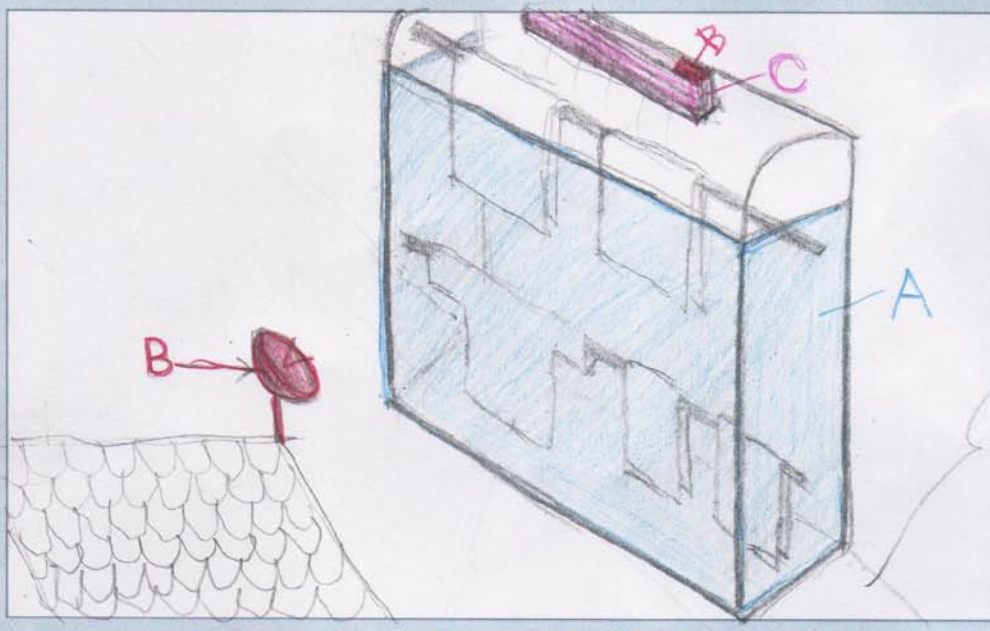

Do you often lose papers? Can you neatly hold your papers? This solves your problems! The inside of the bag is a magnetic sheet. So you only attach papers to the magnetic sheet by some magnets. And you can take notes on the magnetic sheet. This has zips on both sides. So it is easy to take notes when you open zips. Of course, you can use this as the normal bag. This is very useful anywhere.
